ARTICLE FIVE - GRIEVANCE PROCEDURE

1. Definition – A “grievance” is any claim by a person, group of persons, or the Association alleging there has been a violation, misinterpretation, or misapplication of any provision of the Agreement. All time limits specified in the Article Five shall mean school days, except under section 5.12.
2. Purpose – The parties acknowledge that it is more desirable for an employee and his immediately involved supervisor to resolve problems through free and informal communications. Grievances, which are not satisfactorily settled in an informal way, shall be reduced to writing (see Appendix A) and referred to the following formal grievance procedure. A grievance to be considered under this procedure must be initiated in writing within twenty school days of its occurrence.
3. Formal Procedure – The grievance shall state the specific alleged violation, misinterpretation, or misapplication with proper reference to the affected provision of the Agreement and the relief sought.
4. Any employee covered by this Agreement shall have the right to be represented at any stage of the grievance procedure.
5. Level A – Within five school days of receipt of a formal grievance, the building principal shall meet with the aggrieved support staff member and any other pertinent personnel. Within five school days following any such meeting, the principal shall give his/her answer in writing. If the

grievance is not settled at this level, the grievance may be referred to Level B within five school days of the meeting.

6. Level B – Within ten school days of a grievance being referred to this level, the superintendent and/or his/her designee will meet with the participants of Level A and examine the facts of the grievance. The superintendent and/or his/her designee shall give his/her answer in writing within the five school days of any such meeting. If the grievance is not settled at this level, the grievance may be referred to Level C within five school days of the meeting.
7. Level C – Within fifteen school days of a grievance being referred to this level, the School Board will meet with all the participants necessary to obtain and examine the facts of the grievance. A decision in writing with reasons for such decision will be rendered by the School Board within fifteen school days after said meeting.
8. Level D – If the grievance remains unsettled, the grievant has fifteen school days to notify the superintendent if he/she is referring the matter to the Association requesting arbitration. If the matter is referred to arbitration, then the parties shall apply to the American Arbitration Association to name an arbitrator under its rules and procedures. The arbitrator shall use his/her best efforts to arbitrate the grievance, but s/he shall have no power to add to or subtract from, alter, or modify any of the said provisions. The arbitrator shall thereafter submit a decision to both parties. The arbitrator's decision shall be binding. The parties agree to share equally in the compensation and expenses of the arbitrator.
9. The arbitrator shall not award damages in excess of a make whole remedy.
10. Time periods specified in this procedure may be extended by mutual agreement and in writing.
11. Grievance (s) of a general nature, or involving the superintendent, may be submitted by the Association to Level B. The principal will be notified of this action.
12. In the event a grievance is filed on or after June 1, the parties agree to make a good faith effort to reduce the time limits set forth herein so that the grievance procedure may be exhausted prior to the end of the school term, or as soon thereafter as practicable.
13. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits (unless extended by mutual agreement) shall allow the aggrieved person(s) to proceed to the next level. Failure at any level of the procedure to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.

14. The parties agree that employees covered by this Agreement shall enjoy freedom from restraint, interference, coercion, discrimination, or reprisal in presenting or appealing any personal grievance(s).

ARTICLE SIX - REDUCTION IN FORCE

In the event the Newport School Board deems it necessary to decrease the number of bargaining unit member or eliminate any position, the administration will review all paraprofessional staff and determine the reduction of said staff based upon the following:

- Seniority
- Qualifications/training related to the remaining jobs
- Transfer to another position can be completed with a minimum of training
- Direct supervisory input

If all areas other than seniority are equal, seniority shall be the determining factor.

Seniority is defined as the total amount of time continuously employed by this school district.

Bargaining unit members who have special skills that are not common among other bargaining unit members may be passed over in a lay off situation. Sign language skills would be an example of one of these skills.

Layoff units shall be defined as: 1) Paraeducators and 2) Administrative Assistants.

Employees shall be recalled in the reverse order in which they were laid off. A person who is laid off shall maintain his/her seniority for twelve months. Employees who are eligible for recall shall be sent a recall notice by certified or registered mail and the employee must notify the department head within three business days after receiving notice of recall of his/her intention to return to work. The district shall be deemed to have fulfilled its obligations by mailing the recall notice by certified or registered mail, return receipt requested, to the mailing address provided by the employee, it being the obligation and responsibility of the employee to provide the District with his/her latest mailing address. In any event, the employee must return to work within two weeks of the date specified.

The parties agree that the Association will maintain and keep records on seniority, qualifications/training related to the remaining jobs and the ability for an employee to transfer to another position can be completed with a minimum of training and the recall roster. The Association will initially obtain this information from the superintendent, verify it, and share the changes with the superintendent who will double-check the information. Once this has been done the Association will update and maintain the information in the future.

ARTICLE SEVEN - VACANCIES

1. A “vacancy” shall mean a newly created position within the bargaining unit or an existing position within the bargaining unit which is not filled and which the District intends to fill.
2. Notice of vacancies within the Newport School District will be posted in each of the schools. A copy of all vacancy notices shall be sent to the Association President.
3. Such notices shall contain the date of posting, a description of the position, name and location of the school, requirements of the position, name of the person to which the application is to be returned and the deadline for submitting an application. For vacancies, which occur while school is in session, the period between postings of position and closing of applications, shall be no fewer than four school days? For vacancies which occur during or within four days prior to the start of any school vacation or summer break, the vacancy shall be posted for a minimum of seven calendar days.
4. When a vacancy arises in any support staff position, the employee with the most seniority in that particular classification of the support staff will be given priority in the filling of said vacancy, provided that the senior employee applicant has qualifications for that particular position that are equal or superior to those of other applicants. Final decisions will be made by the administration that retains the exclusive right to determine qualifications and to make final personnel decisions accordingly.
5. At the time of hire, a new employee in this bargaining unit shall be given a copy of this collective bargaining agreement by the Human Resource Dept. at SAU 43. The Association President (or designee) may request a copy of wage placement data up to four times per school year. This shall include hourly rate of pay, hours per day, number of days in the contract year, employment start date, and years of relevant experience and education. Additional wage placement data shall be provided on request.
6. On or before May 30th of each year, the employer will notify employees of the intent to employ for the following school year (RSA 189:h - by the end of the school year).

ARTICLE EIGHT - DUE PROCESS

1. In the event that a deficiency could result in termination of employment, the Board and/or designee shall notify the employee in writing of any alleged deficiencies, indicate expected correction, and indicate a reasonable period for correction.

2. No employee shall be discharged, suspended, warned, adversely evaluated, reduced in rank or compensation, deprived of any employment advantage, or non-renewed without just cause. All information forming the basis for such disciplinary action will be made available to the employee. Discipline shall be progressive and corrective. Notwithstanding the foregoing, the Board reserves the right to terminate immediately any employee for criminal, fraudulent, dishonest, or other serious misconduct. This provision shall not apply to the non-renewal of employees who have been employed for less than two years.
3. A staff member shall at all times be entitled to have present a representative of the Association when he/she is being warned or disciplined for any infraction of rules or deficiency in performance. When a request for such representation is made, no action shall be taken with respect to the employee until such representative of the Association is present. The representation will be available prior to the next school day. If the Board or its agent determines that said infraction or deficiency endangers the welfare of student or community, it reserves the right to suspend the employee until such representation is available.

ARTICLE NINE - EVALUATION

It is the responsibility of the building administrator to insure that evaluations of each bargaining unit member be performed on a school year basis by an administrator.

ARTICLE TEN - INSURANCE BENEFITS AND PROVISIONS

2. The parties agree to go to the Matthew Thornton Blue HMO Plan Option 7 from LGC effective July 1, 2011.
3. The parties agree to create a Health Reimbursement Account (HRA) for each bargaining unit member who is eligible for health care. The School Board shall provide up to 100% of a single (\$500), two-person (\$1,000), and family (\$1,500) reimbursements through the HRA in each year of the agreement. 6. Should the District decide to change health insurance coverage for employees covered by this contract, the district may do so only with the approval of the majority of those employees represented by this contract who receive health insurance benefits.
7. All members of the bargaining unit shall be covered by long term disability insurance. This plan covers employees who work at least thirty hours per week. If at any time the minimum number of hours is decreased in the disability insurance contract, then the minimum number of hours will also be reduced for members of the bargaining unit. Benefits shall commence after an employee has been disabled for ninety calendar days and shall continue until age sixty-five or until the employee is able to return to work.
8. An employee who is eligible for health insurance, but elects not to enroll, who works his/her full contract, and who provides documentation that he/she has obtained alternative insurance this is not subsidized (e.g., through the Patient Protection and Affordable Care Act), will be paid \$1,000 minus any penalty imposed on the district because the employee receives an insurance subsidy under the Patient Protection and Affordable Care Act. A prorated amount will be returned to the district in the event the employee begins to work fewer than thirty hours per week or, through a qualifying event, must enroll in the district plan.
9. If any provision of this Agreement or any application of this Agreement is held to be contrary to the Patient Protection and Affordable Care Act (PPACA) or substantially modifies the effect or the enforcement of this Agreement relative to such Act (PPACA), then the parties agree to reopen this agreement for the sole purpose of renegotiating the health care provisions of this agreement.

ARTICLE ELEVEN - DEDUCTIONS

1. The District agrees to deduct from the wages of its support staff dues for membership in the Newport Support Staff NSS/NEA/NH, the New Hampshire Education Association, and the National Education Association as said members voluntarily authorize the Board to deduct and to transmit the monies to the Newport NSS/NEA/NH within five days of the last paycheck each month. Employees who elect to have dues deducted may authorize these deductions by completing the appropriate form and the District shall place the form on file.
2. Pursuant to such authorization, the employer shall deduct equal amounts for each pay period.

3. In the event an employee does not authorize deductions in accordance with the above, the employer shall deduct and forward to the Association a service fee equal to the pro rata share of the cost of collective bargaining, contract administration and grievance adjustment.
4. Upon appropriate written authorization from the employee, said authorization to continue in effect from year to year unless revoked in writing, the District shall deduct from the wages of any such employee and make appropriate remittance for such plans as annuities, credit union, charitable donation, or any other like plans or programs.
5. It shall be the responsibility of the Association to notify the employer which employees are not members in good standing of the Association prior to September 25 of each year.
6. If the employer is prohibited by order of a court or agency having jurisdiction from making the deductions under the above, the employer shall have no obligation to terminate the employment of any employee who does not authorize deductions. If the right of the employer to make deductions under the above is challenged before any court or agency having jurisdiction, the Association agrees to defend such action, at its own expense and through its own counsel, and the Association shall indemnify and save harmless the employer from any expenses and liabilities incurred as a direct consequence of the employer's compliance with the above, provided:
